Re: 'A Conversation with Bob Cashman and Sheryl Ade'

6/22/2007 3:09:33 PM

I must say, I am impressed with Mr. Ste Marie and Mr. Beutz's tenacity and dedication to "a" cause. Although wouldn't it be great if these two gentlemen applied the same tactics and efforts in a positive way toward our community, instead of against it?!

I think the majority of the good people of Wildomar see through their guise of "protecting" and "what's in the best interest of our community" line. I get the impression that they may have an ulterior motive as well and are trying to divide us, which just ain't gonna happen! What a sad waste of time, money and energy!

Bob and Sheryl, you and the rest of WIN go and make this city happen! The majority of the community is behind you and appreciates all your honest and positive efforts.

I personally want to take this opportunity to say thank you for all you have done getting us this far.
