**PROPOSED CITY OF WILDOMAR
MEMBER OF THE CITY COUNCIL**

BOB CASHMAN

OCCUPATION: Engineer

I have lived in Wildomar for 29 years with my wife Diane and our five children.

My commitment to the community includes being involved in the schools, serving on the Wildomar MAC, being a past President of the Elsinore High PTA, being the founder and President of the Wildomar Historical Society, and most recently being the Chairman of Wildomar Incorporation Now, the committee that successfully brought the issue of cityhood to a vote. 71

My experience on the Lake Elsinore School Board (elected term 1985-1989) has given me a working knowledge of budgeting, hiring, and planning. Having been a founder and then President of the Wildomar Chamber of Commerce three times, I have an understanding of the needs of our business community. 1/9

It is important to me that Wildomar be a well-managed and fiscally sound city, while maintaining the small town feel and natural beauty of the area. With your vote, we can carry this effort to completion. I bring with me the knowledge, skills, and proven leadership ability to accomplish what we've long awaited – the opportunity to come together to enhance our lifestyle and make our own choices. Come out and vote for me! 100%
