In 200 words or less briefly state your Education and Qualifications:

Multi-County *Yes No (* If yes separate check required.)

I've made Wildomar my home since 1982 and I've always been an active participant in its progress. Before coming to Wildomar, I earned a BA degree from Cal State Long Beach in Geography, specializing in Urban Planning, and I earned an Environmental Studies Certificate with my degree.

I was a member of the Wildomar Interest League along with Marna O'Brien and other community leaders, beginning in 1982, until the creation of the Wildomar MAC, which I was appointed to shortly after its inception.

I am a Charter Member of the Wildomar Chamber of Commerce, and served on its board. I also served on the Wildomar WIN Committee, became Chairman, and led the successful drive to correct Wildomar's ZIP Code.

I led the WIN Committee's efforts at forming an Economic Development Area in the Clinton Keith/ Inland Valley Area, resulting in the high quality shopping and medical service developments you enjoy there now.

WIN's next project instigated during my tenure as chairman was the incorporation drive which has now resulted in this opportunity for Wildomar to preserve its independence through citihood.

After spending the last three years establishing my business in Wildomar, I am now ready to serve again.
